

# Transportation and assistance available to Shallyn's Physical Therapy and Wellness Services

Meet Heidi with Up Lift! Heidi is a 10 year veteran school bus driver and preschool Para for D20 who is now offering private driving, personal assistant and professional errand running services to the local community. She can drive you to your appointment at Shallyn's, wait for you at your appointment, and take you home. No more waiting nor guessing when your ride will show up! Limited in mobility? She has a vehicle that can accommodate your post surgical precautions and afford space for your current assistive device. Have errands that need to be run on your way home? No problem. Heidi is happy to make the stop for you and help you with your errands. Cost will be dependent on time, distance and regularity of service. Don't let transportation limit your access to the best physical therapy and wellness services in the area. Call Heidi today to set an appointment or get more information (719) 641-9470. Here's to improved health in our neighborhoods!
